

27/01/2022

Dear Parents,

You may have received a text message from the school about Saturday morning revision starting this week (Saturday 29th January 2022), from 10-12pm.

We are offering:

- Physics (suitable for combined or triple)
- Chemistry (as above)
- Maths higher
- Maths foundation

We have had just 9 students from 54 sign up to date and we really would like to see more. We are offering this free of charge and it will be really beneficial for the students. Please encourage your child to attend as we are running this at great expense to the school.

I would also like to highlight the GCSE Spanish revision we are running on Mondays (higher tier) and Wednesdays (foundation tier) after school. This is from 3:15-4:15pm and we really do need the students to attend to ensure they get the best possible grade. We have also bought in an experienced Spanish teacher to support with this provision.

Thanks in advance for your continued support.

Kindest regards,

J Donnellan

Principal
