School rules apply whilst on school trips, it is also expected that students use common sense at all times.

- Behaviour and personal conduct must be of a high standard at all times to ensure the health and safety of all involved
- Language in public places and group situations must always be appropriate and socially acceptable
- Mobile phones will not be allowed during the trip. The school will inform parents on of the arrival of the group in Paris

Notification will be given on a pre-trip meeting for parents and students in May. This will give parents the opportunity to ask questions you may have about the trip.
