

Monday 13th June 2022

Dear parent/carer,

As the year 11 exams come to an end I would like to comment on how impressed we have been with the pupils during the exams so far. Pupils have shown real resilience and a determination to succeed, pupil behaviour and conduct during the exams so far has been exceptional, they have done the whole Seva community proud.

As of Monday 20th June, pupils will only need to be in school when they have an exam. It is imperative that pupils are in on the day of any remaining exams and punctual, being in school at 8:30am. If pupils have an exam in the morning they will be free to go home once the exam has finished. On days that pupils do not have exams we are happy for pupils to revise independently at home. If your child uses the school bus and only has an exam in the morning and needs to use the school bus to get home we will provide them a quiet space to revise for the rest of the day under supervision of staff.

On Thursday 23rd June all pupils will be in school for the Physics exam, after this exam we will be doing an assembly for year 11 and there will be an opportunity for pupils to sign shirts etc. On this day pupils will be finished at 1pm and will be free to go home at this time. If your child uses the school bus and needs to use the school bus to get home we will provide them a quiet space to revise for the rest of the day under supervision of staff.

I have included the timetable for all remaining exams below to remind pupils of when they must be in school. Once pupils have sat their last exam they will no longer need to come into school, we are still available if pupils have any queries or need any support. We will send out details of results day towards the end of the term.

If you have any questions about year 11 exams please contact me on t.singh@seva.coventry.sch.uk.

Monday	20/06/2022	AM	Chemistry 2	1hr 45m	AQA
Monday	20/06/2022	AM	Combined Science: Chemistry 2	1hr 15m	AQA
