Dear Parent/Carer,

Re: contribution to year 8 and 9 author visit

You are receiving this letter as we have not yet received a £5 contribution towards the cost of author Bali Rai's visit on Wednesday 2nd February (and, according to our records, you are not in receipt of free school meals).

We have had a disappointing response to our request for a voluntary contribution of £5. This means that the school are having to pay more than four fifths of the cost of this visit (and with Bali Rai being a published author, this is very expensive). This means that we will not be able to organise any other curriculum enhancement (for other subject areas) as we simply don't have the funding.

We do not want to pressure anybody to give us a donation if you find yourself in challenging circumstances. This letter is meant as a gentle nudge to parents who may have forgotten or may have simply been too busy to log into Parent Pay.

If you can possibly donate £5 to cover the cost of these workshops, we would really appreciate it. Simply log into Parent Pay and search for "Bali Rai".

I truly hope this letter does not cause offence and I hope you understand why I need to send this.

Warm regards,

Jo Donnellan

Principal
