Why Teaching?

I wanted to be a teacher since doing a work experience when I was in 6th Form at school over 25 years ago! Some things in teaching have stayed the same and some things are different, but for me my enjoyment of teaching children has always been constant and something that I have loved doing. It is a pleasure to come to school and help children learn new things.

Advice for My Students:

Be the best you can be!

Favourite Proverb:

"A journey of a thousand miles starts with a single step."

Person Living or Dead I Would MOST Like to Meet and Why:

I would most like to meet Emmeline Pankhurst because of the way she stood up for women and their rights – we would not have had our right to vote if it wasn't for her and her dedication and perseverance.
