Dear Parent/Carers,

Re: Trip to 'The Big Bang Fair 2022'

I am delighted to inform you that I have managed to reserve tickets for a Science event hosted by the NEC entitled: 'The Big Bang Fair 2022'. The trip will take place on **Friday 24th June** and will be for the whole day. There are 90 student spaces and these will be allocated on first come first served basis. We will depart from school at approximately 9.00am and will return by 3.00pm. Pupils **should bring a packed lunch** and some snacks if they wish to; those pupils who are in receipt of free school meals can opt to receive a packed lunch from our catering team – please indicate this on the consent form below. **School uniform is to be worn.**

This is a fantastic opportunity for our year 8 and 9 pupils to further enhance the Science curriculum and experiences they have had at Seva School thus so far. During the Fair, pupils will have access to:

- An award-winning combination of exciting theatre shows;
- Hands on science activities;
- Interactive workshops with STEM (Science, Technology, Engineering and Maths) professionals
- Opportunity to discuss science based careers with STEM professionals

The cost of the trip will be **£7.50** which includes the coach hire and the tickets have been sourced for **free**. We can, however, only afford to run this trip if it is funded by voluntary contributions from parents and we are asking you to contribute £7.50 to cover the costs. Assistance may be provided for any family in receipt of Family Income Support. **If the voluntary contributions do not cover the cost of the trip it may have to be cancelled.**

If you would like your son/daughter to take part in this trip, please complete, sign and return the slip to Mrs Thandi **NO LATER THAN Wednesday 1st June 2022**. **This MUST be completed prior to the trip to ensure we have up to date information and in order for us to allow your child to attend.** Payment for the trip can be paid directly to Parent Pay. If you are unable to pay online, please contact the Finance Office who will be able to provide your child with a barcode to enable you to pay at a Pay Point store.

Yours sincerely

Mrs D K Thandi (Secondary Science)
