

5th July 2023

Dear Parents

On Monday 10th July, at 2.30pm, Seva School will be hosting a Year 9 Parents Information Session which will focus on the new Work Experience Programme.

This session is aimed at providing you with the necessary information about the process, expectations for students, parents, and employers.

It is highly recommended that you attend the session, to ensure you are fully informed and a successful placement for your child.

Next year, when your child is in Year 10, work experience will be a compulsory part of the curriculum.

If you have any questions, please do not hesitate to contact me.

Mr Sturmev
