Why Teaching?

I decided to become a teacher because I absolutely love working with the best people in the world- children! I also remember being inspired by my year 6 teacher, Mr Albans, many, many years ago when I was in primary school. He was always there for his pupils and would always do his best to help everyone.

Advice for My Students:

Give 100% in everything that you do. Don't compare yourself to anyone else. We all have different talents and through Vaheguruji's blessings, you will find yours. You have the power to make a positive impact on the world, so use it.

Favourite Proverb:

Begin to weave and God will give you the thread.
