

24/09/2021

Dear Parent / Carer,

As part of your child's education at Seva School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and trustees. All PSHE teaching will take place in a safe learning environment and is underpinned by our school ethos and values. New statutory guidelines (from September 2021) set out what all schools must teach children about Relationships and Sex Education.

We would like to invite you to attend a parent information meeting (just adults please) to find out more about what your child will learn, why we are teaching it and how it fits into the national curriculum. Parent consultations will take place on **Tuesday 28<sup>th</sup> September 2021** and will last half an hour; you can attend any one of the sessions starting at the following times: **11:30am, 2:15pm or 3:30pm**

Please could you book in advance if you wish to attend one of our face-to-face sessions by calling the school office (number below) or emailing ([school.office@seva.coventry.sch.uk](mailto:school.office@seva.coventry.sch.uk)).

If you cannot make it into school for the above times and would like to join for a virtual consultation we will be offering one at 6:00pm on **Wednesday 29<sup>th</sup> September**. Again, please could you contact school reception with your email address so a link can be sent to you.

We look forward to seeing you.

Yours sincerely,  
T Singh

**Mr T Singh**  
Assistant Headteacher (Teaching & Learning)
