## Reception Sports Day

Children in Reception enjoyed taking part in the school sport's day. Children had the opportunity to discover interests and unknown talents, giving them time to shine outside of the classroom. A huge thank you to our supporting parents; it was a great day.

## Class 5A Enterprise Week

Class 5A have been busy this week planning, organising, and making things to sell on their stalls for Enterprise Week. They divided themselves into groups and each group carried out an activity that they had all voted for. They had a games stall to play, Toss the Beanbag and a Penalty Shootout game. They followed a recipe to make slime, unfortunately, they had to abandon this idea because the slime did not bind as expected. The Lucky Dip proved to be popular with lots of children and they welcomed many customers. The friendship bracelets were beautifully made with a range of pink and blue wool and many children purchased these for themselves and to give to their friends. However, our biggest and most successful event was the Photo Booth with our props box and pink glittering curtain. Lots of children were happy to 'strike a pose' and take a photo with their friends as a lasting memory of a busy and enjoyable week. Well done to everyone in class 5A who overcame problem solving challenges to work together and organise fun activities.

## KS2 Sports Day

On Tuesday, we had KS2 Sports Day. The children travelled to Pingles Stadium and took part in a variety of different activities. Miss Morris was extremely impressed with all of them, and medals and certificates were handed out in Seva Standards assembly this week. Thank you to the 8 Year 10 Sports Leaders who helped Miss Morris on the day.

## Year 6 Enterprise Week

Year 6 have enjoyed working together as a team and using their entrepreneurial skills in raising funds for wet playtime equipment.

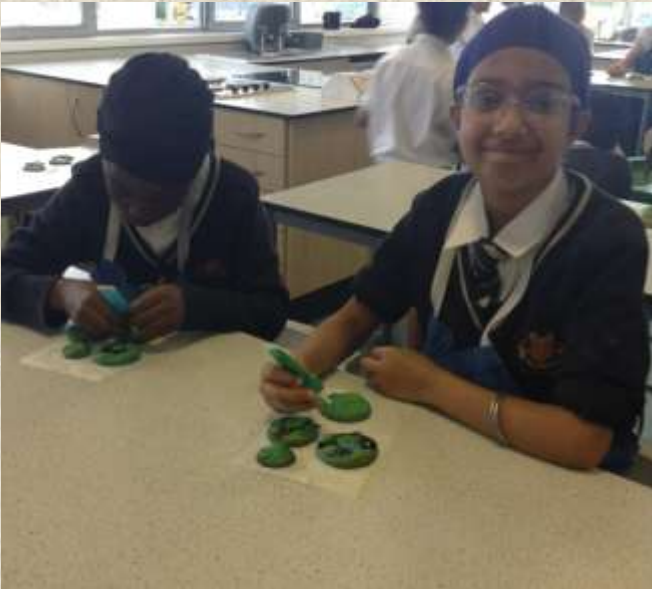

## Reception 'Enterprise Week'

This week, children enjoyed taking part in 'Enterprise Week'. The children enjoyed becoming entrepreneurs by making and selling playdough and generating money that will go towards buying activities for wet playtime. The aim of Enterprise Week is to give the children a greater appreciation of finances and make the link between money and work.

## Year 4 Cookery

Year 4 have really enjoyed their cookery lessons over the last few weeks. As you can see we made these delicious biscuits this week based on our topic 'Raging Planet'! A big thankyou to Mrs Tomlinson who lead these lessons for us.
