

## End of Academic Year Summer Prayers and Fayre 2021-22

As we draw to an end of an academic year it is important to reflect on the foundations of our success, our gratitude for the achievements we made and the lessons we learned. It is through this time that we become more informed, more grateful and more motivated to continue to make SEVA the school of excellence. We look to our Sri Guru Granth Sahib Ji (Sikh Holy Scriptures) in times of hardship and in times of happiness and through the blessings of Vaheguru we feel our outcomes are blessed. It was wonderful to see so many attend our school's end of academic year prayers and summer fayre 2021-22. Our incredible staff, students, parents and wider community came together to make for a highly fitting end to a phenomenal year of service, excellence, virtues and aspirations. We wish you all a happy and healthy summer break and look forward to the start of an exceptional year of academic success and personal development ahead.

School reopens to students on Wednesday 7th September 2022

## Capital Build

### Update

As you may have noticed the essential portacabins work is underway. This is an important part of delivering the wider capital works programme. It will support us to accommodate pupil numbers as we grow and before the capital works commence. We are currently in the last stages of finalising the capital works programme for the main works. We look forward to the exciting new build as pictured below.

## Duke of Edinburgh

### Duke of Edinburgh Bronze Expedition

On Saturday 9<sup>th</sup> and Sunday 10<sup>th</sup> July, 36, Year 9 and Year 10 pupils, were dropped off in Cossington and began their Bronze Expedition. Day one was full of adventure (a few groups getting lost and a lot of sweating thanks to the sun). Pupils were grateful when they finally arrived in camp, after walking for 5 hours. Despite wanting to rest, pupils persevered through the heat to put up their tents and cook themselves a wholesome meal. After that, pupils were keen to get playing with a football and enjoy the remainder of the time in the sun. Teenagers will be teenagers though... night came and despite being tired, pupils enjoyed tent hopping, talking and laughing as well as flashing their torches and keeping us all up until the early hours of the morning. However, the pupils soon felt it the next day when many groups struggled to get moving and packing. It was 10am before they set off on Day two. Miss Morris and Mr Subra met them at Old John Tower. The view was amazing once they got to the top, and a tiny bit of shade supported them in cooling right down before setting off to finish at Grosby Pool.

All the pupils were very supportive of each other and all pupils did complete both days of the expedition. We heard many stories of how tired they were and how some of them fell asleep at 7pm when they got home. Thank you to Miss Morris and Mr Subra for their hard work, time and effort in making the invaluable experience a success.

## Secondary Sports Days

This week, we watched three sports days in action and all of the pupils participated and represented the school immensely well, despite the heat.

KS2 were in action on Monday at Pingles Stadium, featuring in relay races, javelin throws and standing broad jump. All certificates were given out in an end of year celebration assembly.

Secondary went to Pingles stadium on Tuesday and were quick to action, with the discus, javelin, 4x100m relay and long jump events. All certificates were given out in an end of year celebration assembly.

EYFS, Year 1 and Year 2 participated in their sports day at Seva School, completing events such as the egg and spoon relays, 15m dash, standing broad jump and bean bag throw. All certificates were given out in an end of year celebration assembly.

A HUGE thank you to Miss Morris and Mr Sturmey for organising the days.

## Primary Sports Day

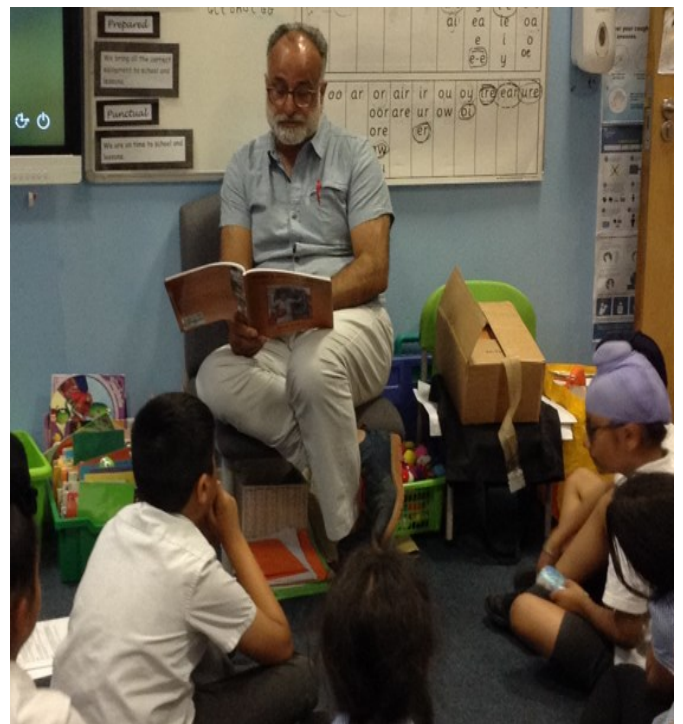

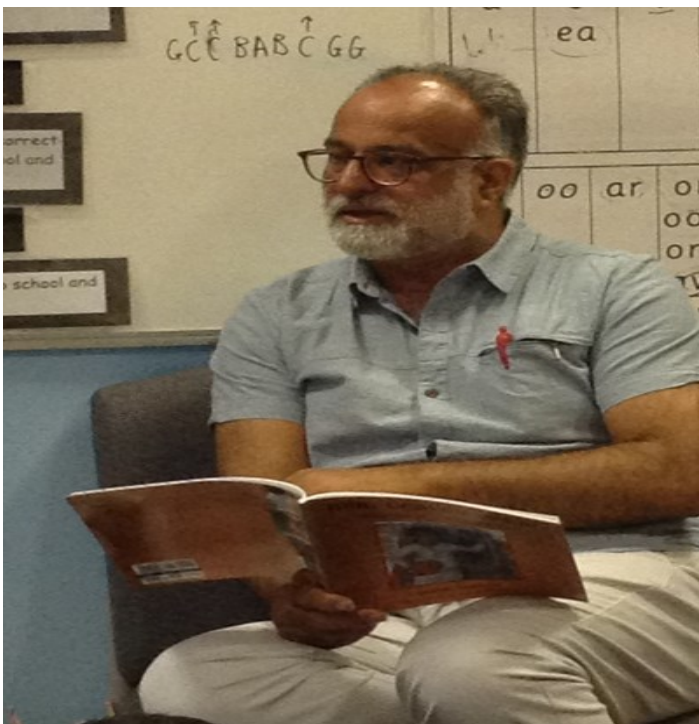

Reception, Year 1 and 2 had an awesome Sports Day. They took part in a range of activities including the 15m dash, egg and spoon race, standing long jump and bean bag throw. Mehtabjeet scored 10 bean bag throws and Samuel's long jump was an amazing 144cms. Thank you to the children, staff and parents for being a great support to each other and making Sports Day great fun for everyone.

## Author Visit

Year 2 were excited to welcome author Gersh Subhra to school on Thursday morning. In class, they studied his book “Billu Leaves India”. The children really enjoyed learning about Billu and were amazed to discover that Billu is real. Mr Subhra answered all their questions about the book. They then did some role play. Four children pretended to be Billu and 2S had to persuade Billu to stay in India and 2A had to persuade Billu to come to England. In the end, the four Billus decided to come to England, but both classes had been very persuasive. He then read aloud their favourite part (when Billu is brave and walks through the gullees alone) and gifted every child with a copy of the book. Thank you so much. We had a fantastic morning and we're looking forward to book 2.

## Year 1S Enterprise Week

Year 1 have worked extremely hard at designing posters, creating and producing handmade book-marks and bracelets. They became entrepreneurs and used their learning in maths, about money, to handle money on their stall. They would like to thank everyone who visited their stall and bought their handmade bookmarks and bracelets.

Paras said, "I have included lots of important information on my poster and made it stand out". Manroop said, "I'm an expert at threading bracelets". Agam said, "I love threading bracelets and can do it all by myself now". Veeraj said, "I'll hold the string for you and Agam, you can thread it". Ekam said, "I love reading books". What great team work!

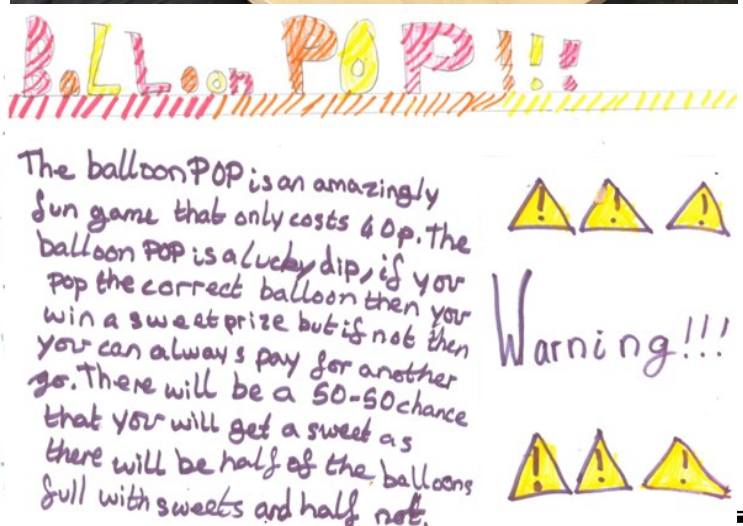

## Year 5A Enterprise Week

For Enterprise Week 2022 each class was given a budget to buy resources to help make products and set up stalls. Class 5A had a selection of games on offer for Seva School pupils to play. We had a lucky dip Balloon Pop game, toss the beanbag, penalty shootout and water blast game. The children had great fun organising their games in small groups and even made posters and banners to advertise their game stalls. Here are some photos and posters from our busy week.

In Topic this half term we have been learning about and comparing water availability and usage in the UK and Kenya. The children in 5A were very upset to hear that many children their age who live in Kenya have to travel long distances to get access to clean drinking water. We talked about Water Aid charity and the fabulous work they do in Kenya to help bring clean water into homes and villages. The class agreed to give all profits they make from Enterprise week and donate to this charity. We were very excited when we received an email of thanks. Well done to all of class 5A who showed the virtue of selfless Seva in making this donation instead of spending their profits to buy playtime toys.

## Rock Steady Concert

Parents were in awe of their children as they performed an end of year concert especially prepared for them. The skill, talent and confidence was outstanding. We are incredibly proud of our upcoming SEVA school music super learners.

## Year 6 Production The Lion King

Staff and students in Year 6 worked hard together to present the end of year 6 production based on Disney's award-winning film THE LION KING. It was a magnificent event full of excellent acting, singing and dancing to end an exceptional year. The performance exploded with glorious colours, stunning effects and enchanting music. It followed the powerful story of Simba as he journeys through life, from being a wide-eyed cub to fulfilling his destiny as the King of the Prideland. Parents of students in Year 6 were mesmerised by the talents of our students. A lot of fun was had as students cleverly wove in the Panjabi culture. To end each production staff presented students with their autograph books and certificates. A highly fitting tribute to their tremendous journey through primary and exciting venture into our year 7. Thank you to Mrs Satsangi and Mr Singh for bringing this event to fruition. You are inspirational and very much appreciated as highly respected members of our team at SEVA. Congratulations to our year 6 students and their parents for reaching this very important milestone.

## Year 6 Formal letter to 10 Downing Street

A few months ago, our Year 6 students wrote a formal letter to 10 Downing Street regarding the welfare of animals in zoos. They were delighted to receive a response back from the Department for Environment, Food and Rural Affairs. Please read their response below. This gave our students a real purpose for writing and getting this response is testament to the power of the written word encouraging change for a better future. Well-done Year 6 and Mrs Satsangi for demonstrating excellence in all you do.

Year 6 Students  
Seva School  
Eden Road  
Coventry  
CV2 2TB

Our ref: TO2022/02539

11 July 2022

Dear Year 6 Students of Seva School,

Thank you for your letters of 21 January to 10 Downing Street about the welfare of animals in zoos. Your letters have been passed to Defra as the department responsible for this policy area and I have been asked to reply. I apologise for the delay in doing so. Defra is currently dealing with high volumes of correspondence.

It is always encouraging to see young people engaging with important topics like animal welfare.

The Government has made clear our commitment to going further to raise animal welfare standards and has set this out in our Action Plan for Animal Welfare. This lays out the breadth of animal welfare and conservation reforms we are taking forward, including introducing the Animal Welfare (Kept Animals) Bill. In this Bill we will extend and strengthen measures for the welfare of pets, farmed animals, and kept wild animals.

This Bill will also update the Zoo Licensing Act in Great Britain, allowing for animal welfare standards to be enforced more thoroughly across zoos in Great Britain. New conservation requirements will be included in the revised standards to ensure that all zoos are doing meaningful conservation work.

I hope this answers your concerns and thank you again for your letters.

Yours sincerely,

Katherine Jutting  
Ministerial Contact Unit

## Fundraising for Charities

As part of their topic Year 5 raised money for the charity Water Aid. This is the message they received.

Hi Mrs P. Kaur and Class 5A,

### **We've received your donation and I can't thank you enough!**

Health. Happiness. Safety. A chance at a better education or a better job. It's amazing what clean water, decent toilets and good hygiene can bring. And that's the gift that you've just given. Your donation will help somebody change their life for good.

Below you'll find confirmation of your donation, so please check the details and keep this email safe. If you have any questions about WaterAid or your gift, please email us on [supportercare@wateraid.org](mailto:supportercare@wateraid.org). We'd love to hear from you.

Class 2S raised £13.95 profit by selling their pom-pom monsters during Enterprise Week. When they discussed what they wanted to do with the money, they decided that it should go to charity. The children decided that it should help Ukrainian refugees, "Because some of them have nothing." They chose Unicef as their charity. A super example of selfless service.

**unicef**   
UNITED KINGDOM

**FOR EVERY CHILD  
IN DANGER**

## **THANK YOU - YOUR DONATION IS ON ITS WAY!**

Your gift of **£20.00** will go towards funding UNICEF's work to support children affected by the conflict in Ukraine.

## Seva Stars

### Service

Mrs Woodward nominated Ramaiya in class 2S for service, she is always very helpful in the classroom. Well Done Ramaiya.

### Excellence

Mrs D O' Dea nominated Arjan in 3s for having an excellent attitude towards his learning especially when faced with a challenge.

### Virtues

Mrs Bains nominated Jasleen in year 9 for the Virtues award. Jasleen is a star student, she is always respectful and positive.

### Aspiration

Ms Gabriel nominated Priya Gill in year 8A for the Aspiration award. She strives to do her best at all times. Furthermore, she makes the effort to complete all challenges given to her. She is an excellent role model for other students.

## Sevak of the Half Term for Responsibility

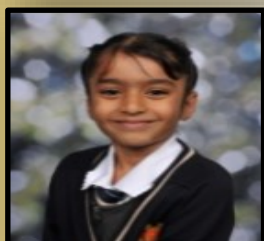

Mrs Dosanjh nominated Gurfateh in RS for joining in with everything and keeping everyone smiling with his sense of humour. Gurfateh works hard and finds ways to help his friends.

Mrs Kaur nominated Amsjveer in 1S for being responsible in taking ownership of his own learning and environment. He has worked hard to keep his table organised and complete tasks set to the best of his ability.

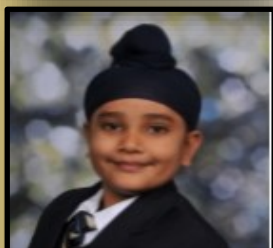

Mrs Woodward nominated Hukmi in 2s . She has grown in maturity and takes responsibility for her learning, making sure work is completed and purple polishing is done.

Miss Ghedia nominated Mankeerat in 2A for always being kind and respectful towards everyone.

Mrs Thethy nominated Gurman in 3A for being a role model to all other children at school with his responsible actions.

Miss O'dea nominated Jasjot in 3s for always being responsible in everything he does and being a great role model to all children.

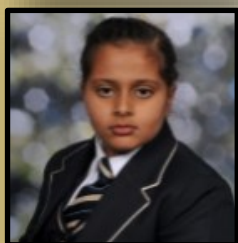

## Sevak of the Half Term Responsibility

**Mrs Hall nominated Avneet in 4A she is always ready with a smile. She has a positive attitude and is always thinking about ways to help others.**

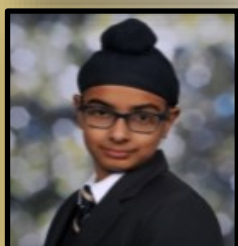

**Mrs Armstrong nominated Jasmeh in 4S.  
He is always displaying a responsible attitude in and around school.**

**Mrs Kaur nominated Nimrat in 5A for always being a responsible role model and reminding others to also show their Seva School Virtues.**

**Mrs Bhullar nominated Jasneet in 5S for being responsible and trying her best with all that she does.**

**Mrs Satsangi nominated Himmat in 6A for always doing his best in fulfilling any responsibility he is given.**

**Mr Singh nominated Mia in 6S for always being kind and respectful towards everyone.**

## Positive Points

### Highest Secondary Achievers

Year	Name	Points
7	Jeeya	181
8	Tanbir	260
9	Tarun	146
10	Grunishan	105

### Secondary House Points

Year	House Points
7	26261
8	26594
9	25936
10	25325

### Primary Dojo Winners

Class	DOJO Winner
RS	Tajinder & Jaskarn
1S	Amrit
2A	Reet
2S	Udhayveer
3A	Khalifa
3S	Keerat
4A	Zion
4S	Kairadeep & Teresa
5A	Manreet
6A	Guranshdeep
6S	Armann

## Maths Stars Of The Week

**Paras** in year 1S is the Numbots star of the week with the most active days this academic year with 7 days in total.

**Year 5S** are this week's maths Rockstars with the highest percentage of accuracy score at 87.97%.

## Attend Today, Achieve Tomorrow

### Celebrating Best Attendance in Primary for w/c: 04.07.22 - 08.07.22

Registration Form	Present
2A	<b>98.80%</b>

### Celebrating Best Attendance in Secondary for w/c: 04.07.22 - 08.07.22

Registration Form	Present
10S	<b>100%</b>

Can we remind parents that all students should be on the school playground no later than 8:30am. The school gates will be locked at 8:30am promptly. Any students who arrive late, without a valid reason, will attend a lunchtime detention. Thank you for your support.

#### No Term Time Holidays

Holidays must not be booked during term time. If you are intending to take your child out of school for a period of time you must make an appointment with Mrs. S. Alcock by emailing her on [s.alcock@seva.coventry.sch.uk](mailto:s.alcock@seva.coventry.sch.uk) before any arrangements are made. The impact of taking your child out of school during term time will negatively impact their progress in learning for years to come.

#### Attendance Matters

In the event of your child being absent from school you must inform the school office by no later than 8.30am. Please clearly state the following information: your child's name, class or tutor group and provide a detailed reason. You can talk to the receptionist or leave a message on the absence line from 8am. A call must be recorded for each day of absence.

## Attend Today, Achieve Tomorrow

### Getting your child to school every day really matters: Did you know ...

If your child's attendance during the school year .....	Your child would have lost approximately .....	or they would have missed approximately .....
was 95%	9 Days from School	50 lessons
was 90%	19 Days from School	100 lessons
was 85%	29 Days from School	150 Lessons
was 80%	38 Days from School	200 Lessons
was 75%	48 Days from School	250 Lessons

You should not take your child on holiday during term time. Please encourage **100%** school attendance. Remember Absence = Lost Opportunity

### Getting your child to school on time really matters: Did you know ...

If in a school year, your child is late every day by .....	Your child would have lost approximately .....	or they would have missed approximately .....
5 Minutes	3.5 Days from School	20 lessons
10 Minutes	7 Days from School	41 lessons
15 Minutes	10 Days from School	55 Lessons
20 Minutes	14.5 Days from School	82 Lessons
30 Minutes	22 Days from School	123 Lessons

You should not take your child on holiday during term time. Please encourage punctuality to maintain school attendance. Remember Absence = Lost Opportunity

**Summer Reading Challenge 2022**

Presented by The Reading Agency.  
Delivered in partnership with libraries.

Dear Teacher

*The national curriculum for English aims to ensure that pupils develop the habit of reading widely and often for both pleasure and information.*

Organised by charity The Reading Agency ([www.readingagency.org.uk](http://www.readingagency.org.uk)) and the UK public library network since 1999, the **Summer Reading Challenge** is the UK's biggest annual reading promotion for children aged 4 to 11. Last year, in Coventry, 1745 children took part.

The Summer Reading Challenge combines **FREE** access to books with fun, creative activities during the summer holidays. Throughout the Challenge, library staff support the children, helping them to discover new authors and illustrators and to explore a wide range of different types of books and ways of reading.

**How the Challenge works**

- Children sign up through their local library and receive a Gadgeteers collector poster.
- Children read 6 library books of their own choice during the summer, collecting special stickers to complete their poster and extra incentives along the way.
- Library staff and volunteers are on hand to advise and run family-friendly activities.
- Children who complete the Summer Reading Challenge are presented with a certificate and a medal.

The official Challenge website hosts digital rewards, author videos, games and more for children to enjoy all summer: [www.summerreadingchallenge.org.uk](http://www.summerreadingchallenge.org.uk)

**How do schools benefit?**

The Summer Reading Challenge is intrinsically inclusive and can contribute to the achievement of **ALL** your pupils including those with special educational needs, disadvantaged pupils and the most able.

- It enhances and supports your school's reading policy and your mission for all children to read more widely and for pleasure.

### Summer Reading Challenge 2022

Presented by The Reading Agency.  
Delivered in partnership with libraries.

**We look forward to welcoming you to our libraries this summer. Take a look at the great free activities for children we have on offer!**

## Urgent Appeal for School Uniform

**Would you consider donating any school uniform that your child no longer requires?**

If your child has outgrown any part of their uniform (especially the PE kit or Blazer), we would be really grateful to pass it on to help another family.

Please bring in items to the front office in a bag clearly stating what age the uniform will fit and if it is for a boy or girl.

Thank you.

## Maths Word Problems

### Problems of the Day 2022

 Day  
**2**

- 1 Ron and Eva each make a 3-digit number from these digit cards.

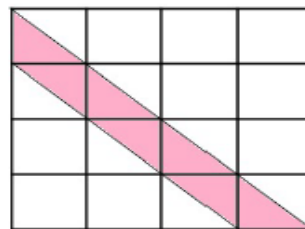

- Ron makes the largest even number possible.
- Eva makes the smallest odd number possible.

What is the difference between their numbers?

- 2 Circle all the fractions that are greater than 1 but less than 2

$$\frac{12}{5} \quad \frac{12}{6} \quad \frac{12}{7} \quad \frac{12}{8}$$

- 3 What fraction of this shape is shaded?

 White  
Rose  
Maths

### Problems of the Day 2022

 Day  
**2**

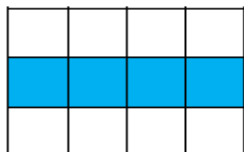

- 1 Ron has these digit cards.

He uses two of the cards to make a 2-digit number.

How many even 2-digit numbers can he make?

- 2 One third of the shape is shaded. True or false?

- 3 Tick all the calculations that have an answer greater than 40

$$43 + 39$$

$$35 - 6$$

$$23 + 28$$

$$10 \times 7$$

$$24 \div 2$$

Did you tick any without working them out?
