

Thursday 8th June 2023

Dear parent/carers,

As the GCSE exams come to an end, we would like to show appreciation once again to the work that Year 11 have put in during the exam season and how well they have conducted themselves through the exams so far. We hope they continue in this manner for the final week of exams.

On Friday 16th June all students will be in school in the morning for the Physics exam and for most students this will be their last exam. After this exam we will be doing a final assembly for the year 11's. On this day students will have the opportunity to sign shirts etc. Any students who are involved in the Geography exam in afternoon must not get the shirt they are wearing signed and should bring a spare shirt to be signed.

We hope this day will be a nice end to the student's time at Seva. If your child would like to attend the end of year prom but you have not yet returned the reply slip, please can these be sent to Mrs Clay as soon as possible.

GCSE results day this year is on Thursday 24th August 2023. Students can come into school between 8:30 – 10:30 am. Results will be available from the main hall, if students enter via the green gate. If students cannot make it to results day, they can have their results emailed to them. To do this your child will need to send a signed letter stating they are unable to make it to results day and that they would like their results emailed to them, the letter needs to be signed by hand and can then be scanned or a photo taken and sent to Mr Wallis, m.wallis@seva.coventry.sch.uk. Requests must be sent by Wednesday 23rd August. Staff will be available on the day to support with any queries regarding next steps or appeals.

Yours sincerely,

Tarjinder Singh

Mr T Singh

Vice Principal, Progress and Achievement
