

Dear Parent/Carer

RE: Traffic Management Plan (TMP) – Changes to drop off and pick up of students from Tuesday 4th June 2024

Thank you to all those who attended the presentation events to hear about the exciting news regarding the decant of our school to the new Piri Building (Eden House). We hope you enjoyed finding out about this incredible next chapter in the history of the school. As well as appreciating how some changes to parking will be necessary to accommodate the next phase of the school expansion.

The changes to the traffic management plan will affect the drop off and pick up of pupils at the start and end of the school day. The changes are specifically for those pupils who arrive and leave by car. The school bus times remain unchanged.

This letter explains the changes that will start from Tuesday 4th June 2024. For those who were unable to attend the sessions last week, and if you still have questions after reading this letter than please speak to the school office.

From Tuesday 4th June, there will only be 2 locations where parents can park. These 2 locations are either Piri Building car park or North View Road. Your location will be determined by which year group your child(ren) is in. In the best interests of everyone's health and safety, it is paramount everyone adheres to these expectations. We will be issuing parents of students in EYFS (YR) and Year 1, a specific pass that will designate that they have permission to park at the Piri Building. This will strictly be enforced by the facilities coordinators, who will only allow those registered to access parking at the Piri Building car park. Those parking without permission, causing obstruction, parking or driving dangerously will risk escalation towards a letter banning them off site for a fixed period.

If you are a blue badge holder, please bring this to the school office who will issue you with a parking pass once the badge has been seen. Unless you are a blue badge holder (or a parent of a child in EYFS (YR) or Year 1) you will not be allowed to park at Piri Building for any other reason.

What are the changes? and Who are they for?

Key Traffic Management Plan Expectations

- There will be **NO RIGHT TURN** when exiting Piri Building car park - you must **TURN LEFT** and head towards the mini roundabout at Paradise Way to turn back on yourself. This will support the flow of traffic when the drop and go traffic system is in operation during the mornings and avoid grid lock.
- Always give way and priority to pedestrians
- Do not unduly wait in your cars - arrive and depart in a timely manner.
- The electronic gate at Piri Building car park will only open 5 minutes before the end of the school day.
- Vehicles must not exceed 5mph whilst in Piri Building car park.
- DO NOT park in spaces designated for coaches or behind them.
- DO NOT park in spaces designated for Blue Badge holders.
- DO NOT park at the bus stop.
- DO NOT turn or park at any of the entrances of the companies on the business park – we have previously communicated about complaints received about this and this does not help us to build much needed positive relationships with the local companies.

We are all very fortunate to have new school facilities and now we must ensure that we all work as a team to abide by the new traffic management plans. Lack of compliance with the new plans will not be tolerated and will result in adverse changes. However, I know you will work with the school to ensure this plan is fully implemented for the safety of all pupils, staff and parents.

Thank you in advance for your co-operation, care and consideration.

Vaheguru Ji Ka Khalsa, Vaheguru Ji Ke Fateh.

Yours sincerely,

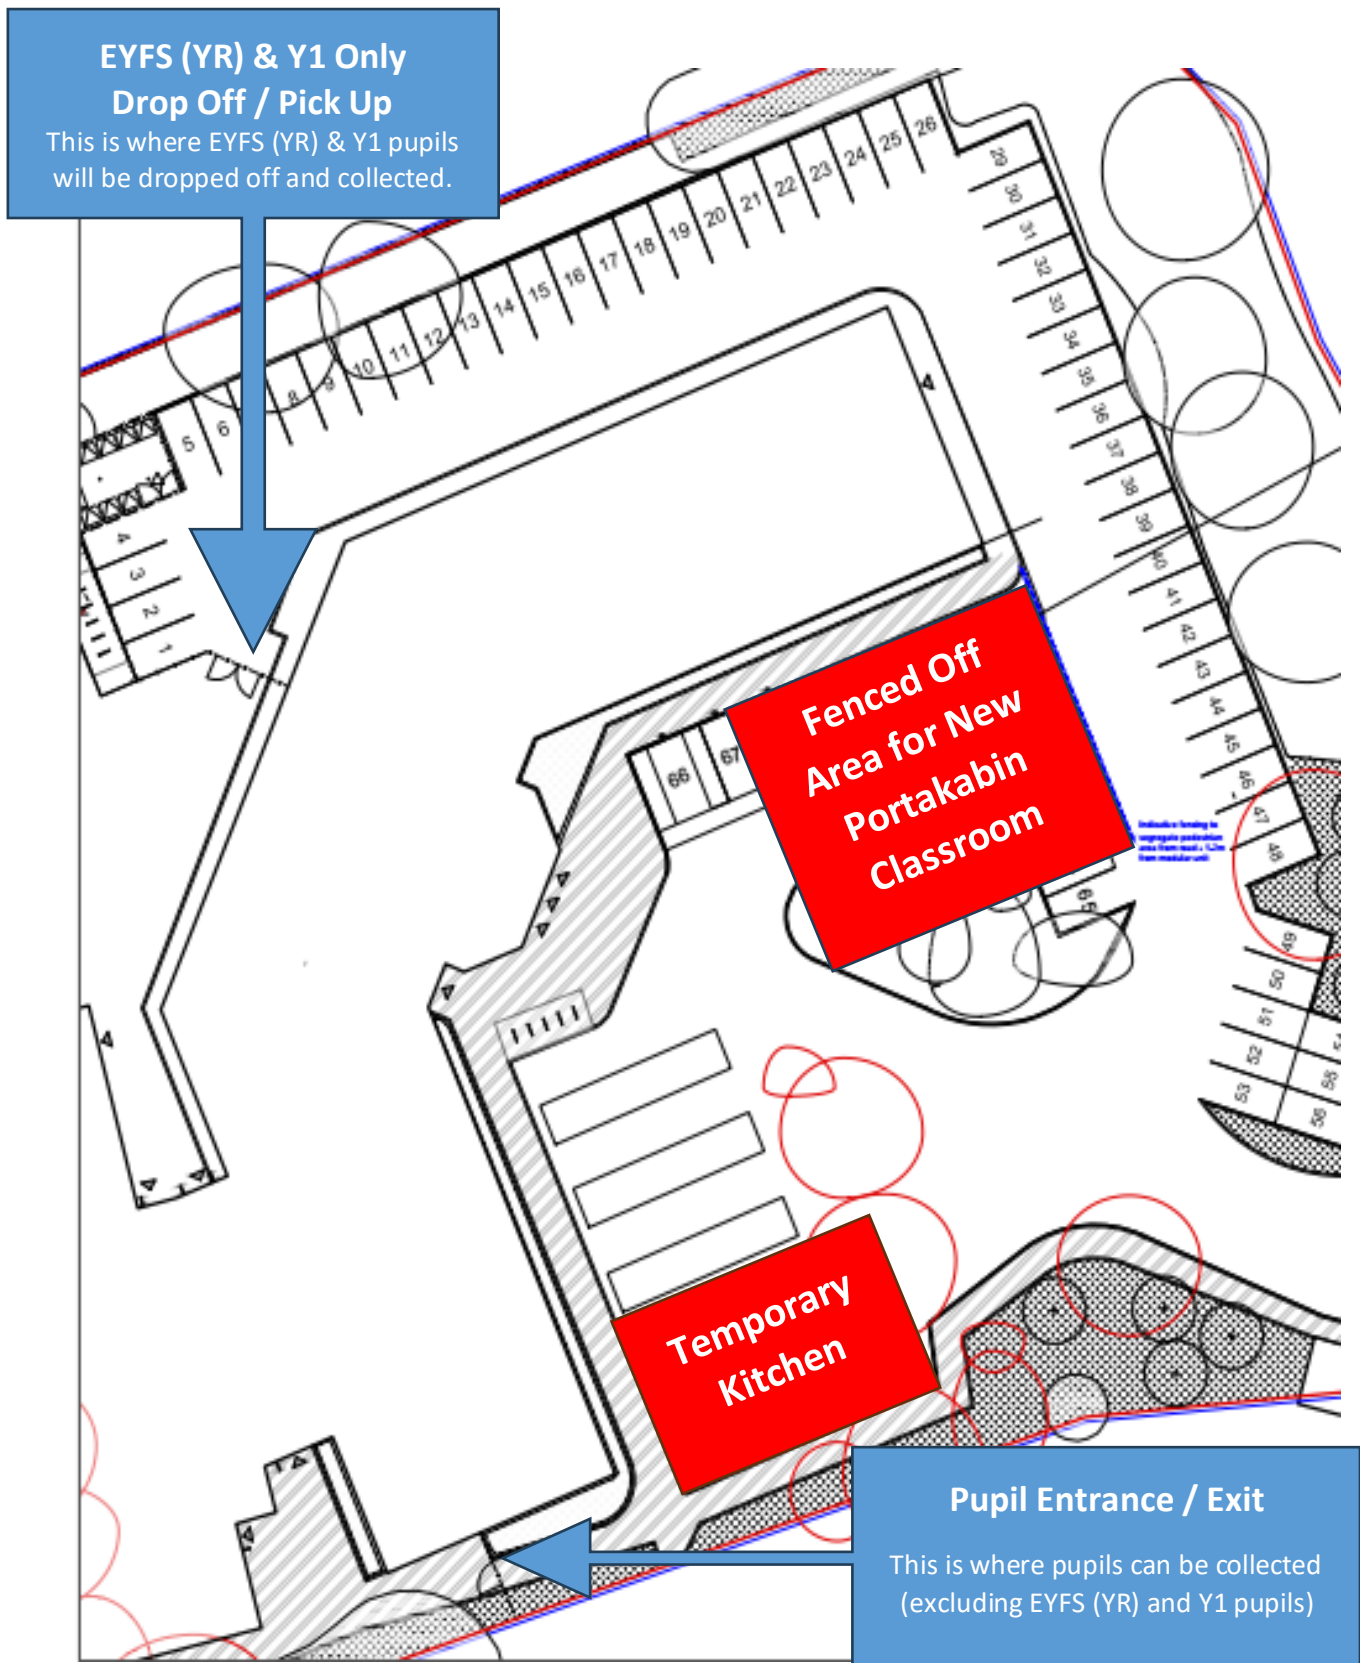

S Sanghera

Principal

MAP 2 - PIRI BUILDING (EDEN HOUSE) DROP AND GO

Like the current morning arrangements that are in place, we will be implementing a drop and go as shown below. All other year groups will strictly only be allowed to drop and go, where they will be met by staff members.

NORTH VIEW ROAD - PICK UP LOCATION

Only EYFS (YR) and Y1 parents / carers will be able to access the controlled car park at Piri Building. All others parents / carers **MUST** park on North View Road and either walk into school to collect their child(ren) or await for them on North View Road.
