Why Teaching?

Inspired by my own primary school teachers, I decided that I too one day would love to be able to give back to the community by becoming a teacher. My favourite teachers showed me how to believe in myself and become confident. Now when children have a light bulb moment and reach their potential and beyond, it warms up my heart. Teaching is rewarding and a great way to make a positive difference in the world.

Advice for My Students:

Nothing is impossible, with perseverance and a positive attitude, you can achieve your goals. No matter what, always have faith in Vaheguruji (God) and yourself.

Favourite proverb:

“The stories of one’s ancestors make the children good children.” ~ Guru Amardaas Ji

Person Living or Dead I would MOST Like to Meet and Why:

I would most like to meet Mata Bhaag Kaur also know as Mai Bhago because she was a great female warrior saint.
