**Re: Friday 7<sup>th</sup> October - Year 11 – The National Apprenticeship & Education Event, Millennium Point, Birmingham.**

Dear Parent/Carer,

The National Apprenticeship and Education Event has been designed to inspire the next generation of young people no matter what background with apprenticeship, traineeship, T-levels and retraining opportunities. This is an ideal opportunity for pupils in Year 11 to consider their next steps after leaving school. Quality advice, guidance and support are vital to ensure young people, school-leavers and students are inspired by the prospect of an apprenticeship as well as other career options.

Students will be able to access independent careers advice. The event will also feature a host of employers, training providers and universities on hand to talk to people face-to-face about apprenticeships and other careers choices across the Midlands.

Pupils will be taken to Millennium Point by Thandi Coaches. Our designated time slot is 10.30am-12.30pm. The coach will depart Seva School at 9.45am. From Millennium Point, departure will be at 12.45pm, arriving back at school at approximately 1.30pm. At this point, pupils will eat their lunch.

**Exemplary behaviour is expected of all pupils that attend the event.**

- Mobile phones will not be allowed.
- Normal school uniform must be worn.

Please confirm below if you consent for your child to attend this event – and that you have paid a donation of £..... towards the cost of travel.
