*Please note Lesson 6 on Tuesdays and Thursdays is no longer enrichment. We will not be authorising any requests for early finishes. By requesting an early finish on these days, you are severely disadvantaging your child; the cumulative impact will be felt on the grades they are able to achieve. Similarly, requesting holidays in term time is severely detrimental to your child's life chances. Poor attendance has a direct link to poor academic performance and vice versa.

Every child is issued a timetable. Please email m.wallis@seva.coventry.sch.uk or your child's form tutor, if your child has not shared their timetable with you and you would like a copy.
