ੴ ਸਤਿਗੁਰ ਪ੍ਰਸਾਦਿ ॥

One Universal Creator God. By The Grace Of The True Guru:

ਤੇਰੇ ਕਵਨ ਕਵਨ ਗੁਣ ਕਹਿ ਕਹਿ ਗਾਵਾ ਤੂੰ ਸਾਹਿਬ ਗੁਣੀ ਨਿਧਾਨਾ ॥

Which, which of Your Glorious Virtues should I sing and recount, Lord? You are my Lord and Master, the treasure of excellence.

ਤੁਮਰੀ ਮਹਿਮਾ ਬਰਨਿ ਨ ਸਾਕਉ ਤੂੰ ਠਾਕੁਰ ਉਚ ਭਗਵਾਨਾ ॥੧॥

I cannot express Your Glorious Praises. You are my Lord and Master, lofty and benevolent. ||1||

ਮੈ ਹਰਿ ਹਰਿ ਨਾਮੁ ਧਰ ਸੋਈ ॥

The Name of the Lord, Har, Har, is my only support.

ਜਿਉ ਭਾਵੈ ਤਿਉ ਰਾਖੁ ਮੇਰੇ ਸਾਹਿਬ ਮੈ ਤੁਝ ਬਿਨੁ ਅਵਰੁ ਨ ਕੋਈ ॥੧॥ ਰਹਾਉ ॥

If it pleases You, please save me, O my Lord and Master; without You, I have no other at all. ||1||Pause||

ਮੈ ਤਾਣੁ ਦੀਬਾਣੁ ਤੂਹੈ ਮੇਰੇ ਸੁਆਮੀ ਮੈ ਤੁਧੁ ਆਗੈ ਅਰਦਾਸਿ ॥

You alone are my strength, and my Court, O my Lord and Master; unto You alone I pray.

There is no other place where I can offer my prayers; I can tell my pains and pleasures only to You. ||2||

Water is locked up in the earth, and fire is locked up in wood.

The sheep and the lions are kept in one place; O mortal, meditate on the Lord, and your doubts and fears shall be removed. ||3||

ਹਰਿ ਕੀ ਵਡਿਆਈ ਦੇਖਹੁ ਸੰਤਹੁ ਹਰਿ ਨਿਮਾਣਿਆ ਮਾਣੁ ਦੇਵਾਏ ॥

So behold the glorious greatness of the Lord, O Saints; the Lord blesses the dishonored with honor.

As dust rises from underfoot, O Nanak, so does the Lord make all people fall at the feet of the Holy. ||4||1||12||

**Principal's Message**

Mrs. S. Sanghera
Vaheguru Ji Ka Khalsa, Vaheguru Ji Ke Fateh

At SEVA we believe learning is made even more memorable through lessons that go beyond the classroom and involve immersion in first hand experiences. These opportunities evoke an even greater sense of curiosity and an even greater sense of challenge. Pupils who engage in such visits are afforded the platform to apply their knowledge and widen their understanding of the curriculum and scope for the use of vocabulary in different contexts.

This half term, Year 5 visited the National Space Centre in Leicester. They learned about the solar system, weather patterns and space travel. They reported back that the experience was out of this world. Today, A group of our Year 10 visited Warwick University in the first of the training sessions to become Mental Health Champions. Next week, Year 2 will be visiting Warwick Castle in the heart of Warwickshire. They will be learning about towers, turrets, falconry, tournaments and royalty. Our Year 6 will be building on their collaboration and teamwork skills whilst out and about in Brandon Marsh on Monday. Pupils in secondary learned about survival skills in the great outdoors through the Duke of Edinburgh silver award expedition. They will also be encouraged to join the upcoming Speak Out challenge to hone their oracy skills and push past their comfort zones to grow their confidence and self esteem.

At SEVA learning is limitless and made accessible, engaging and long lasting. Thank you for supporting this crucial provision and being such great advocates for the learning and aspirations of all our pupils.

Celebrating our 10 Year Anniversary

Year 5 visited The National space Centre on Thursday 30th January. All pupils showed exemplary behaviour and made Mrs Bhullar and Mrs P Kaur very proud. We would like to thank Mrs Subhra and Miss Darji for accompanying us on this trip and helping us throughout the day. Year 5 you were amazing and your teachers really appreciate your contribution in making this trip enjoyable and memorable for all.

The pupils were able to explore lots of interactive activities and read information on exhibition displays to find out lots of interesting facts about our universe and outer space. We had the opportunity to watch a 3D planetary show all about astronauts and how they prepare for a space journey and what they do out in space. We found this trip to be very informative and used this information to help with our English writing back in the classroom. Here is a recount of our Space trip experience written by Jodh in class 5A.

*Celebrating our 10 Year Anniversary*

Tejvir in class 5A has created his own model to show the planets in our solar system. He has been very creative to include lights to represent the stars against the dark black void in Space. Mrs P Kaur was extremely impressed with the different colour and pattern detail that Tejvir had included to show the different planets. A huge well done to Tejvir. Can you name the 8 planets that Tejvir has included in his model? Do you know if Earth is the closest planet to the sun?

SECONDARY NEWS

Ten Year 10 pupils have today visited Warwick University, which is ranked nationally in the top 10 universities.

The ten pupils are Mental Health Champions and were receiving training from qualified professionals on how to manage their role effectively and safely.

They have learned about key mental health topics and how to offer support for younger peers at Seva School, who they are mentoring.

It was also an opportunity for pupils to encounter university life and look around the campus, viewing university life and meeting university staff and students.

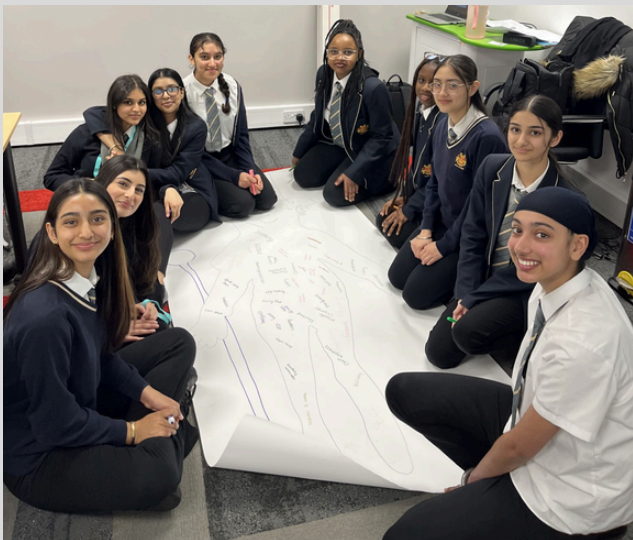

The Year 10 pupils have also taken Y7/8/9 assembly this week, focusing on 'Mental Health Awareness Week', which is this week. They also created activities that were done in form time.

They have all been responsible and fully embraced their opportunities.

I am really proud of them all and the contributions they have made this week.

Well done.

Mr Sturmev.

ATTENDANCE MATTERS

Attendance Teddy's Message

Congratulations to Year 1 for the highest attendance this week.

Attendance Matters

Research shows that if your child misses 17 days of school, they are at risk of dropping a whole grade in their GCSEs. Please support your child with their attendance.

Punctuality

All pupils should be in school by 8.30 am. Children arriving into school after this time without a valid reason will serve a lunchtime detention. A text message will be sent to their parents/carers as per the information on the data collection sheet by Mrs Alcock.

Workshops

Parents requesting to take holidays during term time will be required to attend a workshop before any request is considered. The workshop will be held once a week on a Wednesday at 3:30pm - 4:30pm. This workshop is to highlight the importance of attendance and the detrimental impact of taking holidays during term time can have on your child's attainment and progress.

Attendance

If your child is absent from school due to illness, you must inform the school by 08:30am. You must call and leave a message on the absence line (option 1) or email attendance@seva.coventry.sch.uk clearly stating the pupil's name, year/class and a detailed reason for the absence. Reason of 'not well' is not acceptable.

- Can say hello to their friends in the playground
- Can practice skills that will help to develop their learning and improve their confidence
- Can develop social skills
- Feels happy, relaxed and settled ready to start learning at 8.30 am
