

Thursday 18th May 2023

Dear Parent / Carer,

Re: Bronze Training Day – Saturday 27th May

Saturday 27th May is the Bronze Expedition Training Day for your child. It is imperative that they attend this day. Failure to attend will result in them not being able to do the expedition on 10th and 11th June.

Pupils must arrive by 8.50am, ready for a 9am start and need to be collected at 3pm. They can walk home or make their own way home with your permission.

Leicester Outdoors Pursuit Centre (LOPC) is the expedition provider that will be running the day, but I will be on site. LOPC has offered to hire out their tents and stoves to us for the expedition and this cost is a part of your expedition costs. Training day will consist of a variety of activities that will prepare them for their weekend: safely putting up and taking down tents, countryside codes, map reading and getting the first look at their route that they will be undertaking!

It is a very exciting day and pupils need to come in clothes which are comfortable and will not restrict their movement, I highly recommend coming in **joggers and trainers.**

Pupils will **NOT** be allowed off site for lunch, but must bring their own packed lunch.

Please remember that your child cannot attend either the training day or the expedition unless all payments have been made and both of their 3 months sections are complete.

Any issues or concerns, please do not hesitate to contact me on l.morris@seva.coventry.sch.uk

Yours Sincerely

L Morris
