

Duke of Edinburgh Bronze Update

Wednesday 4th January 2023

Dear Parents/Carers,

This letter is to provide you updates with your child's current progress for Duke of Edinburgh. All pupils have paid their deposit and have sat down with me or confirmed to me that they have access to their EDofE account online. There is also an app that can download onto their mobile phones or tablets to make collecting evidence and uploading it to their accounts much easier.

Due to staff absences before half term, it was not possible for the previous payments to be added to ParentPay. Please see the revised payments below, which should appear on ParentPay as soon as possible.

1 st January 2023	£70
1 st February 2023	£70
1 st March 2023	£70
1 st April 2023	£45

Please remember for your child to attend the expedition weekend, they must have completed the following:

- Both 3 months sections to be completed, all evidence and assessor reports submitted
- Payments must be completed
- Attend training day

There will be a Parent meeting held on Microsoft Teams before the February half term break, please can all paperwork be signed and handed back in at your earliest convenience so I can add all relevant parties to the Microsoft Teams group. Joining this group will enable meetings to happen when a time is more convenient for most parties as well as provide you images and updates from the training day and expedition. Please bear in mind, photos are prohibited from being removed the group and used for social media purposes, unless permission is granted.

Please contact me if you have any queries, issues, or concerns: l.morris@seva.coventry.sch.uk

Yours Sincerely

L Morris

Miss L Morris
