

Programme ideas: Volunteering section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. This sheet gives you a list of programme ideas that you could do or you could use it as a starting point to create a Volunteering section programme of your own.

You can find more information at **DofE.org/ volunteering** and there is a range of exciting opportunities to help you complete this section at **DofE.org/finder**.

It's your choice...

Volunteering gives you the chance to make a difference

to people's lives and use your skills and experience to help your local community. You can use this opportunity to become involved in a project or with an organisation that you care about.

Help with planning

You can use the programme planner on the website to work with your Leader to plan and agree your activity before you start.

Before you begin, it is important to check that your volunteering meets the criteria for businesses and family members (see **DofE.org/volunteering** for the requirements).

Helping people Helping children	Working with the environment or animals	Coaching, teaching and leadership
 ☐ Helping children to read in libraries ☐ Helping in medical services e.g. Hospitals ☐ Helping older people ☐ Helping people in need Helping ☐ people with special needs ☐ Tutoring ☐ Young carer ☐ Youth work 	Animal welfare Environment Rural conservation Preserving waterways Working at an animal rescue centre Litter picking Urban conservation Beach and coastline conservation Zoo/farm/nature reserve work	□ Dance leadership □ DofE Leadership □ Group leadership □ Head student □ Leading a voluntary organisation group - Girls' Venture Corps - Sea Cadets - Air Cadets - Jewish Lads' and Girls'Brigade - St John Ambulance
Community action & raising awareness	Helping a charity or community organisation	Scout AssociationAir Training Corps
Campaigning Cyber safety Council representation Drug & alcohol education Home accident prevention Neighbourhood watch Peer education Personal safety Promotion & PR Road safety	Administration Being a charity intern Being a volunteer lifeguard Event management Fundraising Mountain rescue Religious education Serving a faith community Supporting a charity Working in a charity shop	 Volunteer Cadet Corps Army Cadet Force Boys' Brigade CCF Church Lads' & Girls' Brigade Girlguiding UK Girls' Brigade Sports leadership Music tuition

Programme ideas: Physical section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. Many of the DofE programme activities can be adapted to meet the needs of young people with disabilities and some, referred to as adapted sports, are unique to disabled people.

This sheet gives you a list of programme ideas that you could do or you could use it as a starting point to create a physical programme of your own.

You can find more information at DofE.org/physical

and there is a range of exciting opportunities to help you complete this section at **DofE.org/finder**.

It's your choice...

Doing physical activity is fun and improves your health and physical fitness. There's an activity to suit everyone so choose something you are really interested in.

Help with planning

You can use the programme planner on the website to work with your Leader to plan and agree your activity before you start.

Programme ideas: Skills section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. This sheet gives you a list of programme ideas that you could do or you could use it as a starting point to create a Skills programme of your own.

You can find more information at **DofE.org/skills** and there is a range of exciting opportunities to help you complete this section at **DofE.org/finder**.

It's your choice...

Developing a skill helps you get better at something you are really interested in and gives you the confidence and ability to use this skill both now and later in life.

Help with planning

You can use the programme planner on the website to work with your Leader to plan and agree your activity before you start.

Programme ideas: Expedition section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. This sheet gives you a list of ideas that you could do or you could use it as a starting point to create an Expedition of your own. Remember, it's always your adventure.

You can find more information at **DofE.org/expedition** and there is a range of exciting opportunities to help you complete this section

at **DofE.org/finder**.

It's your choice...

Going on an expedition gives you the chance to have an adventure, work as a team, and act on your own initiative. The expedition can be as far away or as close to home as you want it to be, and there are hundreds of ways you can go about it.

Help with planning

You can use the handy programme planner on the website to work with your Leader to plan your activity. If you have additional needs talk to your leader about the support and variations that could help you.

On foot Studying how insect life differs from woodland to open fields. Exploring teamwork by nominating a different leader each day. Searching for forms of fungi, recording and sketching them. Planning a route and create a signpost selfie guide.	 Creating a video diary of the expedition, recording each team member's experiences. Following part of the Gerald of Wales route of 1188 through Pembrokeshire. By boat Sailing the Norfolk Broads to explore modern and ancient uses of the area. Exploring different team roles needed on a boat and giving everyone an opportunity to do a new one. 	and lochs on the Caledonian Canal. Gerald of through Investigating samples of the river bed en route and comparing them with each other. Carrying out a canoe trip and create a storyboard (photo/painted/drawn) of your expedition. Choosing several points along a river and measure speed of flow, width and depth and comparing the differences	 Planning a route in a forest to take a series of landscape photographs to use in a calendar. Producing an illustrated guide to a stretch of canal. Research the history and then travel along the towpath using the expedition to gather photographs and sketches to illustrate the guide.
Considering the impact of tourism on the flora and fauna of the area you are in.Drawing all the different star			On horseback Exploring bridle paths and create an A-Z of the outdoors
constellations you can see. Creating a photo guide to the Countryside Code.	Rowing along a large river recording the types of boats and their uses.Planning a significant sea	along their route, trying to explain why this may be. By wheelchair	from the trip. Planning an expedition with sea views, taking photos along the way so that you

Programme ideas: Residential section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you.

This sheet gives you some ideas of things you could do or could use as a starting point to create a Residential of your own.

You can find more information at **DofE.org/residential** and there is a range of exciting opportunities to help you complete this section at **DofE.org/finder**.

It's your choice...

Going on a residential gives you the chance to learn

how to work with people from different backgrounds and build confidence living in new environments. There are loads of exciting possibilities and opportunities, so choose something which you will find really fulfilling.

Help with planning

You can use the programme planner on the website to plan your activity with the support of your DofE Leader.

Before you commit to a residential it is important to have approval from your DofE Manager to ensure that it meets all the criteria (see **DofE.org/residential** for the requirements).

Please note: The programme ideas listed below are thinking prompts, we cannot guarantee that these programmes are actively run by providers.)

Service to others	Environment and	Learning	Activity based
Being a leader at a UK-based holiday camp for disadvantaged young people. Undertaking a voluntary teaching placement overseas. Being part of a service crew at a large summer camp for Brownies. Volunteering on a YHA residential summer camp. Volunteering at a residential summer school. Being an assistant to support an ecofriendly waste project at an outdoor education centre Helping out on a pilgrimage.	Joining a tree planting project with your local environment trust. Attending a conference on climate change as a youth representative Helping the preservation team of a railway or canal Studying coral bleaching in Australia. Joining a National Trust working holiday and join different conservation projects in various locations across the UK. Taking part in a Field Studies course learning about biodiversity and conservation.	Undertaking a cookery course. Doing a photography course and exhibiting your work. Taking part in a bushcraft residential. Spending time on a narrowboat and training towards becoming a skipper. Taking part in a field studies course. Learning to write and produce music and putting on a show. Taking part in an astronomy course, learning about constellations, black holes and solar systems. Taking part in a weeklong Gaelic or Welsh language and culture course.	 □ Taking part in a sport based residential developing your basketball skills. □ Taking part in multi-faith residential, studying different religions. □ Joining an ACF activity week with members of different detachments you don't know. □ Learning to snowboard on an intensive course in Scotland. □ Joining an historical reenactment society
