

Seva School Homework for Autumn 2nd half-term 2022

Autumn 2nd half-term theme is: London's Burning

Year: 2

Classes: 2S

Information for parents/carers: Each week your child will be expected to pick one challenge from the three given in each subject area below. Over the course of a half term, your child will be expected to have completed six challenges altogether and these must be one from each subject area. Books will be expected in school every Wednesday and it will be returned every Friday. Homework sent in late will not be marked. MyMaths homework is set at the beginning of every half term, please complete one activity per week. If you have any questions regarding the homework, please speak to your child's class teacher for further information and support. Thank you.

Subject	Challenge 1	Challenge 2	Challenge 3
English:	Design an information poster to promote fire safety. How will you make it eye catching and informative.	Write a poem about Fire. Which senses will you include? Will it rhyme?	Imagine you are Samuel Pepys. Write a diary entry about a day trapped in fire. Which features will you include?
Reading:	Read for at least 5 minutes each night and record in the reading diary. Visit: https://www.oxfordowl.co.uk (Username: class1s2000 Password: Reading)		
Maths	Learn the 2, 5 and 10 times tables by memory. You can draw pictures to help you. Remember it's the same as repeated addition. E.g $2 \times 5 = \underline{\quad}$ is the same as $5 + 5 =$ Recite them for 10mins each day.	Learn your 2, 5 and 10 times tables by memory AND your division facts for these tables. E.g $2 \times 5 = 10$ therefore $10 \div 2 = 5$ Recite them for 10mins each day.	Make some number cards 0-9. Choose 2 number cards to make a 2-digit number. Roll a dice, $1=10$, $2=20$ etc. Add and subtract this from your number. You will make calculations like $46+50=96$, $87-50=37$
Online maths:	https://login.mymaths.co.uk/login - complete one activity each week. https://ttrockstars.com/ or https://play.numbots.com/#/intro - complete 5 minutes daily. (At this stage of the year, most children are working on Numbots).		
Science:	What food do you need to eat in a healthy diet and why? Create a healthy eating poster. Tip: Remember to use your knowledge of the food pyramid.	Design a circuit training course to do in the garden or park. Plan it out by drawing it, then build it. Measure your pulse before and after completing it. What is different? How do you feel after exercise?	Provide a picture of yourself as a baby and say how you have changed. Draw what you might look like as an adult.
History:	Investigate what happened in The Great Fire of London and create a poster to reflect the event.	Find out about jobs in 1666 (e.g Gong farmer, chimney sweep, spinster, baker, apothecary). Write a job application for a job you want and say why you would be good for the job.	Research Samuel Pepys. Who was he? Why was he important? What did he see? Research and present your findings.
RE	Make a comic strip about Moses' life.	Jews observe Shabbat each week. It is a day for spending time with family, without having to think about work. What do you like to do with your family. Draw a special time you have had together.	Another way Jews observe Shabbat is by not using electricity, watching television or using phones. Spend some time away from screens and reflect on what it was like. How long did you

			spend? How did you feel?
Art & DT:	Experiment with different colours like yellow, orange and red to depict fire and black/grey to depict smoke. How many different shades can you experiment with to get different effects?	Draw or paint a picture of The Great fire of London. What shapes and colours/shades of colours will you use?	https://www.youtube.com/watch?v=Ol4Irc7bNic Have a go at recreating this Tudor village.
