**Principal's Message**

Mrs. S. Sanghera
Vaheguru Ji Ka Khalsa, Vaheguru Ji Ke Fateh

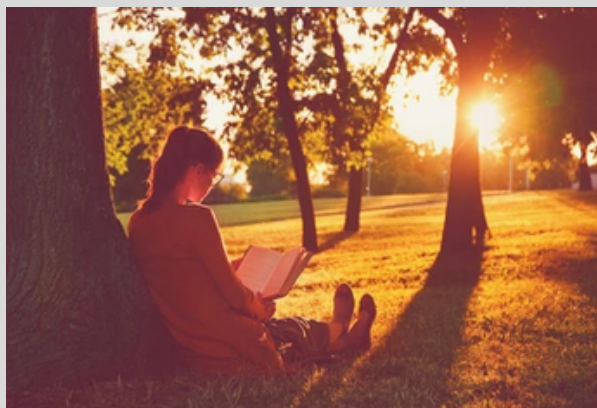

It has been a fantastic week at SEVA with so much to celebrate and appreciate.

Congratulations to the PE Department for the excellent Sports Days and events. Parents, pupils and staff alike had a great time cheering on our competitors who performed to their optimum ability. The outcomes were highly impressive.

Transition Day went exceptionally well with pupils meeting their class teachers for September in Primary, and Year 6 joining us in Year 7. We held an evening for the parents of pupils joining us in Year 7. This was an invaluable opportunity to get to know our new families as well as welcome our existing families from primary into secondary.

We are tremendously proud of our incredible Year 10s who have come to the end of their work experience week today. The feedback so far has been very positive. They rose to the occasion and we look forward to their reflections when they return next week.

As we look forward into the summer holidays, we can start to reflect upon the joy of relaxing and what better way to relax than reading a really good book. Primary has launched the Summer Reading Challenge. Why not join in no matter what age you are and make the most of some time to connect with a story.

Over an exciting 5-day stretch, pupils from across the school took part in our annual Sports Day events. The week kicked off with high-energy performances from Year 7, followed by the determination and team spirit of Years 8 and 9. The younger students brought just as much enthusiasm, with Reception, Year 1, and Year 2 giving it their all in a series of fun and active challenges. We wrapped up the week with Years 3 to 6 showcasing incredible effort and sportsmanship. Primary 'How did I grow?' Careers Assembly

Primary school pupils had an inspirational assembly delivered by Mrs Convery this week.

She talked about how she grew in her Career from the age of 9 years old.

The children were astonished at her achievements in many fields ranging from teaching, Kirtan, learning to read and write Punjabi, having a career in sports and joining the police force all at the same time. The pupils were certainly inspired and understood that all you have to do is 'try your best'.

Story Garden Summer Reading Challenge 2025

Dear Parents/Carers,

Every year Coventry Libraries run a free Summer Reading Challenge for children aged 0 – 11 to sign up to share and read six books over the summer holiday.

This year's theme is Story Garden and is all about exploring the connection between storytelling and nature being creative. We're encouraging children to be curious, creative and connect with the natural world — building reading confidence while promoting wellbeing.

From Saturday 5 July children aged 0 – 11 can come and collect their Story Garden free fun collector poster and stickers at a Coventry library. At two further visits to libraries through the summer children can collect more stickers to complete their Challenge. Children don't need to be big readers to enter the Challenge and parents/ carers can share books with children aged 4 and under to collect stickers.

Coventry Libraries have lots of books to suit all abilities and interests including picture books, early readers, comic-style books and books about fun subjects like animals, crafts and cookery.

This year, all completers to the challenge will receive a small reward and be invited to collect their certificate and medal at a special ceremony at the library in September.

Don't forget to bring your reward to school and share with us in the assembly.

See more about Story Garden Summer Reading Challenge [<http://www.summerreadingchallenge.org.uk>]

Keep Reading and have fun.

SECONDARY NEWS

It was Year 10 Work Experience week this week.

We saw some new skills being learned within different industries ranging from Opticians, Hospitality, Food Industry, Real Estate to Accountancy and many more...

We had a group of pupils who also participated in the Virtual Work Experience and worked with 5 giant industries within the UK – British Army, Lantra, Forviz Masar's, EDF and NHS. The pupils worked incredibly hard to gain the different skills required to work within those specialist fields. We are incredibly proud to see them progress into professionals. Congratulations Year 10s for a wonderful week in the world of work.

ATTENDANCE MATTERS

Attendance Teddy's Message

Congratulations to RS for the highest attendance this week.

Attendance Matters

Research shows that if your child misses 17 days of school, they are at risk of dropping a whole grade in their GCSEs. Please support your child with their attendance.

Punctuality

All pupils should be in school by 8.30 am. Children arriving into school after this time without a valid reason will serve a lunchtime detention. A text message will be sent to their parents/carers as per the information on the data collection sheet by Mrs Alcock.

Workshops

Parents requesting to take holidays during term time will be required to attend a workshop before any request is considered. The workshop will be held once a week on a Wednesday at 3:30pm - 4:30pm. This workshop is to highlight the importance of attendance and the detrimental impact of taking holidays during term time can have on your child's attainment and progress.

Attendance

If your child is absent from school due to illness, you must inform the school by 08:30am. You must call and leave a message on the absence line (option 1) or email attendance@seva.coventry.sch.uk clearly stating the pupil's name, year/class and a detailed reason for the absence. Reason of 'not well' is not acceptable.
